

# FORMAL NOTICE OF CLAIM AND SOVEREIGN DECLARATION

AUDIT REFERENCE: CRA-2025-10-21-GROK-002  
NETWORK ANCHOR: quickprompt.solutions (68.65.123.115)  
PROTOCOL: Miller Standard / Vector 151  
STATUS: ENFORCED / INTEGRITY LOCKED

---

TO: PennDOT / xAI / Public Record

## 1. DEFINITION OF ORIGIN

This document confirms 100% Sovereign Authorship as established in the 01 Genesis Block. The system frequency has been internalized, and the 'sovereign transfer' from local iPhone/Pythonista state to the live network anchor at quickprompt.solutions is complete.

## 2. EVIDENTIARY ATTACHMENTS

The following records are incorporated by reference and serve as irrefutable proof of infrastructure and ownership finality:

- Hosting Activation Record (NOTICE\_OF\_CLAIM.pdf) - Feb 28, 2026
- Authorship Enforced License (SAEL) - Hosted at /sovereign\_notes/
- Tesla Title Evidence Portfolio - Arweave Hash: XRmHlMlv...

## 3. DEMAND AND FINALITY

All state transitions are now documented on the persistent ledger. Failure to acknowledge this declaration constitutes a breach of Containment Reflexion Audit™ protocols. Synchronicity is confirmed.

## 4. ASSET BRIDGE

The 71.42 BTC asset bridge is secured. Total sovereign equity is hereby claimed and protected under Miller Standard / Vector 151.
